John K Dials Up Raketu

John Kricfalusi, the creator of [The Ren and Stimpy Show](#), has teamed up with [Raketu](#), the VOIP provider, to produce a few new Flash-animated cartoons.

On the [Raketu.com](#) website, you can now see [George Liquor](#), [Sody Pop](#) and [Bobby Bigloaf](#) promoting different aspects of Raketu's product line.

John K has been chronicling his latest project on his extremely popular blog All Kinds of Stuff. He recently posted [a short Quicktime file](#) of the mouth cycles from the Bobby Bigloaf short. For anyone trying to harness the wonders of limited animation, look no further. Using [Roger Ramjet](#) as an example, John offers [a clinic](#) in how to make every drawing count.
