Raketu offering Global SMS Text Service at one of the lowest rates worldwide

Filed in archive [Calling plans](#) by [gautam](#) on May 14, 2007

Now send SMS globally with [Raketu](#) as the company has gone ahead and unveiled its new Global SMS Text Service. One can send SMS round the world and that too at a single rate irrespective of the

origin of the message. As per company claims it offers the lowest published rates around the world. This service is available to all Raketu dial-out VoIP subscribers. Besides low cost SMS you can even enjoy free calls in more than forty countries worldwide including Canada and US.

Recently [Skype had slashed its SMS rates](#) and now Raketu is offering one of the lowest rates and it seems that mobile carriers will have a tough time tackling VoIP providers since they have also started facing competition in the arena of SMS which is one of the biggest sources of revenue for companies.
