Raketu slashes RakOut dial out rates by around 66%

Filed in archive [Calling plans](#) by [gautam](#) on May 16, 2007

The other day I told you about Raketu starting one of the lowest [Global SMS Text Service](#) and now the company has gone ahead and slashed its [RakOut](#) dial out calling rates by around sixty six percent but these mouth watering rates will only be available till 30th of June, 2007. Also RakOut customers can now call Hong Kong and Japan for free along with the list of forty other countries.

This is what Greg Parker, President and CEO of Raketu had to say about the offer:

Raketu offers the best calling rates to any location globally around the world. With our low calling rates, and new services in the area of Global SMS text messaging, IM, and newly added ipTV and video on demand services, we believe we offer the most compelling combined communications and entertainment service available today period.
